INDEPENDENT PRACTITIONERS' REVIEW ENGAGEMENT REPORT

To the Members of The Alberta Lacrosse Association

We have reviewed the accompanying financial statements of The Alberta Lacrosse Association (the Association) which comprise the statement of financial position as at August 31, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioners' Responsibility for the Financial Statements

Our responsibility is to express a conclusion on the accompanying financial statements based on our review. We conducted our review in accordance with Canadian generally accepted standards for review engagements, which require us to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, we do not express an audit opinion on these financial statements.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the financial statements do not present fairly, in all material respects, the financial position of The Alberta Lacrosse Association as at August 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

THE ALBERTA LACROSSE ASSOCIATION

Notes to Financial Statements

For the Year Ended August 31, 2023

PURPOSE OF THE ORGANIZATION

The Alberta Lacrosse Association (the "Association") exists to promote and develop the great game of lacrosse in all its disciplines and its heritage throughout Alberta and to provide participants with diverse lacrosse opportunities for the pursuit of excellence and enjoyment. The Association is a not-for-profit organization incorporated under the *Alberta Societies Act* and as such is exempt from Income Tax.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Cash and cash equivalents

Cash and cash equivalents are comprised of items that are readily convertible to known amounts of cash and that are subject to an insignificant risk of change in value. Cash and cash equivalents have a maturity of three months or less at acquisition and are held for the purpose of meeting short-term cash commitments rather than for investing.

Tangible capital assets

Tangible capital assets are recorded at cost less accumulated amortization. Contributed tangible capital assets are recorded at fair value at the date of contribution. When a tangible capital asset no longer contributes to the Association's ability to provide services or the value of future economic benefits associated with the tangible capital asset is less than its net book value, the carrying value of the tangible capital asset is reduced to reflect the decline in the asset's value.

Tangible capital assets costing in excess of \$5,000 are recorded at cost and amortized over their useful lives on a straight-line basis. The Association has not purchased any items that have exceeded the \$5,000 capitalization threshold, therefore, there are no tangible capital assets reported.

Intangible assets

The website development costs are being amortized on a straight-line basis over their estimated useful life of five years.

Revenue recognition

The Alberta Lacrosse Association follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are recognized as direct increases in net assets.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

Fees revenue is recognized as revenue in the period to which the fees relate to.

Notes to Financial Statements

For the Year Ended August 31, 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

Contributed services

Volunteers contribute a significant number of hours per year to assist the Association in carrying out its service delivery activities. Due to the difficulty of determining their fair value, contributed services are not recognized in the financial statements.

Financial instruments

The Association initially measures its financial assets and financial liabilities at fair value adjusted by, in the case of a financial instrument that will not be measured subsequently at fair value, the amount of transaction costs directly attributable to the instruments.

The Association subsequently measures all its financial assets and financial liabilities at amortized cost, except for investments in equity instruments that are quoted in an active market, which are measured at fair value. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash and cash equivalents and accounts receivable.

Financial liabilities measured at amortized cost include accounts payable and accrued liabilities.

The Association has no financial assets measured at fair value.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down is recognized in net income. The previously recognized impairment loss may be reversed to the extent of the improvement, directly or by adjusting the allowance account, provided it is no greater than the amount that would have been reported at the date of the reversal had the impairment not been recognized previously. The amount of the reversal is recognized in net income.

Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

2. CASH AND CASH EQUIVALENTS

9. FINANCIAL INSTRUMENTS

It is management's opinion that the Association is not exposed to significant interest, market, currency or other price risk through its financial instruments. The following analysis provides information about the Association's risk exposure and concentration as of August 31, 2023.

Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Association is exposed to credit risk from customers. Where necessary, an allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts. The Association has a significant number of customers which minimizes concentration of credit risk.

Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Association is exposed to this risk mainly in respect of its receipt of funds from its members and other related sources and accounts payable and accrued liabilities.

10. RESTATEMENT

During the 2023 fiscal year, the Association discovered referee fees expenses related to the 2022 fiscal year in the amount of \$17,982 were not recorded in the 2022 fiscal year.

This has been corrected retrospectively and comparative figures have been restated.

The effect of the correction has resulted in an increase in accounts payable and accrued liabilities and referee fees expense, and a decrease in unrestricted net assets and excess of revenue over expenses in the amount of \$17,982.
